Multi AWARD WINNING FISH & CHIPS TO YOUR EVENT

Jojo's Fish & Chips is part of the multi award winning Weeping Cross Fish Bar. Weeping Cross was founded in 1999 and within our family we have over 70 years of experience in the Fish & Chip industry. Weeping Cross has become famous throughout Staffordshire for it's delicious food and excellent event catering. Weeping Cross caters for numerous events all over Stafford and surrounding Villages every week.

We researched and worked on lots and lots of Fish & Chip vans all over the country.

In July 2021 we purchased one of the most prestigious Fish & Chip vans available, expertly fitted out to the highest specification. Jojo's Fish & Chips was born in late 2021. We have undertaken lots of private events behind the scenes to get ourselves ready for a bumper 2022.

We wanted to build on our event expertise and in 2019 we started researching Fish & Chip vans. Our vision is to deliver our award winning food and service at special events all over the Midlands.

Frequently ASKED QUESTIONS

WHAT DO I NEED TO DO IN PREPARATION?

Relax, we have everything covered. We provide everything needed for your event. We bring compostable knives & forks, napkins, tasty condiments and lashing of salt & vinegar. A good power supply would be great if you can accommodate, it saves us using our silent (ish) power generator.

DO MY GUESTS NEED TO PRE ORDER?

Pre-orders are not a necessity, Jojo's will bring plenty of tasty produce. Often our Corporate clients will pre-order with time slots, as the staff may be working to tight time scheduled. Celebration events – where the element of time may not be so stringent – we can let your guests choose from the menu on the day of service.

WHAT IS YOUR GREEN ETHOS?

We use sustainable Cod. We use compostable cutlery. We use sustainable Palm Oil (100% Vegetable Oil). Our waste oil is converted in Bio Diesel. Any food waste is separated and then broken down so that it gives off biogas. Our cardboard is separated and recycled. All of our packaging is Eco Friendly.

CAN YOU CATER TO PEOPLE WITH SPECIAL DIETARY REQUIREMENTS?

We cater for Vegetarians, we cater for Vegans and we cater for Gluten Free.

HOW DO YOU DELIVER SUCH HIGH QUALITY FOOD WHEN CATERING FOR SUCH LARGE EVENTS.

Jojo's are experts in large events. Regardless of the event size we still work on the same principle – "Hot, Fresh & Tasty". In order to achieve this we will bring additional cooking equipment and additional trained staff to keep up with demand.

HOW EARLY DO YOU ARRIVE AT OUR EVENT?

Generally Jojo's will arrive 1 hour before your event. If you require us to arrive earlier than the scheduled time please let us know.

WHAT ARE THE DIMENSIONS OF JOJO'S VAN?

Jojo's van is 2.5m wide x 7m long x 2.7m tall. We just ask for flat and solid ground for service.
